

2010 ATHENA Award Official Nomination Form

The ATHENA Award, sponsored this year by Wipfli LLP, has been given by the Green Bay Area Chamber of Commerce since 1985 to women and men who have demonstrated outstanding commitment to their profession, to the advancement of women and to serving their community.

The award not only recognizes the accomplishments of professional women and men, but also celebrates the wisdom, strength and enlightenment which are inherent in its recipient. Sculptor Linda Ackley chose ATHENA, the dynamic goddess of Greek mythology, as her inspiration for the sculpture (pictured on the left). Wise and valiant daughter of Zeus, ATHENA was a deity of resolute courage and wisdom, guided and enlightened by reason. The award will be presented at the Chamber's annual meeting in fall.

Three primary criteria are used to select ATHENA Award recipients. Both women and men are eligible. They must have demonstrated excellence in their business profession, have generously assisted women in attaining their fullest potential and have devoted time and energy to their community in a meaningful way. The nominee must currently be a member of the Green Bay Area Chamber of Commerce or employed by a member firm.
