Members formed five groups that developed projects benefiting the community. Group projects include: Painting a U.S. map on an elementary school playground to be utilized as a tool in learning for students, a prescription medication drop box for safe disposal of unwanted medications, planning/planned implementation of the Water Gallery exhibit at The Children's Museum of Green Bay that highlights the role of the Fox River and Great Lakes in the community's history, educating the community on the electronic recycling law taking place on Sept. 1, as well as the promotion of recycling on the Broadway District and lastly, the development of "Sent to Fort," a children's book.

Jeanne Agneessens, manager of Leadership Green Bay, adds, "Our graduates come away [from the experience] with an understanding of this community that they did not have before."

There is still time to apply to become a part of the 2010-2011 Leadership Green Bay class. Visit LeadershipGreenBay.org today to access an application and further details.

Established in 1882, the mission of the Green Bay Area Chamber of Commerce is to serve as the focal point of economic and community development. Chamber programs include Advance, Partners in Education, Leadership Green Bay, Brown County Teen Leadership, Current Young Professionals Network, Good Government Council and the International Business Development Consortium.
