Shared-Use Commercial Kitchen Input Sought

Green Bay, Wis.- (July 22, 2010) – A shared-use commercial kitchen is being explored for Green Bay area residents and businesses – and your input is needed.

The prospective commercial shared-use kitchen is being considered at N.E.W. Curative Rehabilitation's Dr. William Nystrom Center at 2900 Curry Ln., Green Bay. Area residents' input is being sought– visit <http://www.zoomerang.com/Survey/WEB22ATB8PGP4M> to complete a brief survey.

Shared-use commercial kitchens are fully licensed and commercially equipped for usage by growers, new or existing businesses involving food, caterers, restaurants, special event vendors, bakers, organizations and more. The shared-use commercial kitchen could serve as the springboard for launching businesses that have lacked the necessary space, equipment or support.

This undertaking is a collaborative effort by Advance, a program of the Green Bay Area Chamber of Commerce, N.E.W. Curative Rehabilitation, Northeast Wisconsin Technical College and the Algoma Farm Market Kitchen.
