**ADVANCE BUSINESS CENTER WELCOMES INJECT-A-SEAL FOAM INSULATION**

Green Bay, Wis.- (Dec. 14, 2010) - The Advance Business Center, located at 2701 Larsen Rd. in Green Bay, is pleased to welcome another new tenant to its business incubation program.

Gary Pace, owner of Inject-A-Seal Foam Insulation of N.E. Wisconsin, LLC., has taken occupancy of light industrial space. The company provides top-quality injectable foam insulation to residential and commercial customers; both for new and existing structures. The benefits of their foam insulation versus fiberglass and cellulose include providing a superior air barrier, being pliable, serving as a pest and rodent deterrent and not rotting, molding or mildewing. Customers see a reduction of their energy bills by 30 to 50 percent and an estimated payback period of two to five years. For more information, please contact Pace at (920) 471-8851.

The Advance Business Center has operated a successful incubation program since 1987, serving more than 240 companies. The facility offers flexible, professional space with short-term lease options and a multitude of shared services such as office equipment, conference room space, and free on-site business counseling to growth-oriented entrepreneurs.

For more information on the Advance Business Center and its business incubation program, contact Lisa Harmann at [lharmann@titletown.org](mailto:lharmann@titletown.org) or 920-496-2110.
