

Smart Business Savings

Chamber members gain the benefit of group purchasing power through the negotiation of special discounts available to members only. Each of these products carries pricing or features not available to non-members. Last year, more than 300 Chamber members saved more than \$228,000 by purchasing these Chamber-endorsed products.

Please be sure to mention you are a Green Bay Area Chamber of Commerce member to ensure you receive Smart Business Savings.

For questions, please call the Green Bay Area Chamber of Commerce at 920-437-8704.

- Call Greg Breister at (920) 328-3488 or email at Gregory.breister@officedepot.com to set up an account or visit www.titletown.org to register.

"Office supplies can really add up. With the Chamber discount, we get anywhere from 10 to 70 percent off list price, depending on the item ordered. Plus, if we place a larger order, like \$150, \$200 or \$300, we receive an additional one to two percent discount. The Chamber discount is definitely worth taking advantage of."

– **Cindy Prevost, accounts receivable, Streu's Pharmacy**

UnitedHealthcare - Products for every need

Your company has priorities and goals that will drive your specific benefits strategy. You can trust UnitedHealthcare to make your strategy a success with products that can help employers maintain a healthy and productive workforce - while delivering significant cost advantages. With our national network and administrative platforms, you can have one consistent plan design for every location—or as many plan designs as you have locations. It's up to you.

Chamber membership has its rewards:

- Up to 10% off ancillary lines of coverage including life, dental, vision and disability
- 2% discount on health insurance benefits for employers with 51-99 eligible employees
- Discounts on Green Bay Area Chamber membership dues for employers with 2-50 eligible employees
- Electronic employee enrollment tools
- Dedicated enhanced customer service
- Access to first-to-know product information

Contact your broker or Kay Van Boxel at 920.593.3426 for more information.

* The Green Bay Area Chamber of Commerce receives a 1% marketing fee on all UnitedHealthcare business sold.

"We have had cellular services with Cellcom for quite a few years and have always experienced excellent service. In August, we imported 48 (more) lines to Cellcom. Our level of service since then has gone above and beyond my expectations. [Our Cellcom representative] saved us more than \$10,000 a year. I am confident this partnership will continue to grow as our company's cellular needs do."

– **Sue Herms, office coordinator, Yale Materials Handling**

Smart Business Savings

Chamber members gain the benefit of group purchasing power through the negotiation of special discounts available to members only. Each of these products carries pricing or features not available to non-members. Last year, more than 1,050 Chamber members saved thousands of dollars by purchasing these Chamber-endorsed products.

Greater Green Bay YMCA Corporate Partnership

Through a Y Corporate Partnership, companies can partner with the Y to provide their employees with a financial incentive on membership and a wellness program. Companies paying towards their employees' membership will receive a financial match from the Y along with health & fitness services.

- Financial incentive for employees. Corporate Partners must provide a financial incentive for employees. The Y will match contributions of \$12.50/month - up to \$150/year per employee.
- Employees joining the Y will receive a \$25 voucher annually to use toward a Y class.
- Joiner fee waived. Savings up to \$75.
- One free "Y Trial Week" for all employees and their families each year.
- Statistical reports including participation and employee usage.
- Promotional materials and newsletter provided by the Y.
- Additional corporate services provided by the Y: Wellness Coaching, Lunch and Learn Lectures, Health Fairs, Onsite Group Exercise Classes, Monthly Challenges.
- Access to all four Green Bay area facilities. Additionally, the A.W.A.Y. (Always Welcome at YMCA) Program provides access to participating Ys nationwide.
- Approximately 75% of health care spending can be attributed to preventable illness. The Y can help you identify your largest health care issues and help target ways to reduce costs.
- To get your employees started contact Jamie Hanner at (920) 436-9620 or Jamie.hanner@greenbayymca.org.
