Paper copies of Wage & Benefit Study now available for purchase

Green Bay, Wis.- (Dec. 8, 2009) – The latest in salary and fringe benefits statistics in the area are now available in paper form with the newly available Wage & Benefit Study.

The study is distributed annually through the Green Bay Area Chamber of Commerce (Advance), the Fond du Lac Area Association of Commerce, the Fox Cities Chamber of Commerce & Industry and the Oshkosh Chamber of Commerce. It's particularly valuable to human resources and finance departments planning for the next fiscal year as it measures salary levels and changes in fringe benefits projected by area employers.

Paper copies are now available for those companies who have purchased or are planning to purchase online access to the 2009-2010 Fox Valley Wage and Benefit Study. Order forms can be found here: <http://www.titletown.org/media/68262/wageandbenefit%20purchase%20form.doc>.
