Advance Business Center welcomes new tenant

Green Bay, Wis. (Dec. 21, 2009) – The Advance Business Center, located at 2701 Larsen Rd. in Green Bay, is pleased to welcome a new tenant to its business incubation program.

Kaysun Medical, a new division of Kaysun Corporation, took occupancy of an office in the facility effective Dec. 7. Jeff Anderson is leading the business development of the new division. Kaysun Corporation designs and manufactures highly engineered, critical use plastic injection molded parts and related assemblies. For over 60 year, Kaysun has built an industry leading reputation for successfully meeting the toughest manufacturing challenges in the automotive, industrial and defense/security markets. The company will now expand into the medical market with the new Kaysun Medical division as the medical culture is unique and will require a separate Kaysun identity.

For more information about Kaysun Medical, contact Jeff Anderson at janderson@kaysun.com or 920-737-5893.

The Advance Business Center has operated a successful incubation program since 1987, serving more than 200 companies. The facility offers office and light manufacturing space with flexible lease terms and a multitude of shared services such as office equipment, conference room space, and free on-site business counseling, to growth-oriented entrepreneurs.

For more information on the Advance Business Center and its business incubation program, contact Lisa Harmann at (920) 496-2110.
